**ADAM GIBSON DESIGN of Carmel, Indiana
Awarded Best of Houzz 2020**

The Annual People's Choice Award from the Houzz Community Highlights Home Remodeling and Design Professionals with Most Popular Designs and Top Ratings

CARMEL, IN – Adam Gibson Design has won a “Best Of Houzz” award for Best of Design, and Best Customer Service on [Houzz®](#), the leading platform for home renovation and design. Gibson, a forward-leaning designer who is also a Living in Place Ambassador, was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.5 million active home building, remodeling and design industry professionals.

“I am thrilled to be honored for the seventh year in a row,” says Gibson of the Houzz honor. “Houzz has been a wonderful visual partner for my business, and I am grateful for their engaging platform.”

The Best of Houzz badge is awarded annually. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2019.

“Among so many talented design professionals in our industry, Adam Gibson is a stand out for many reasons,” says Tom Vriesman, Director of Design Community Relations for the Indiana Design Center. “He is not only a consummate professional dedicated to excellence in all areas of his business, he lifts up our community through his dedication and support of all of us. It is therefore no surprise for his achievements to consistently be recognized.”

A “Best of Houzz 2020” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“This year’s Best of Houzz awards go to an incredibly talented and service-oriented group of home remodeling and design professionals, and we’re proud to highlight the winners on the Houzz website and app,” said Liza Hausman, Vice President of Industry

Marketing for Houzz. “This award is particularly meaningful as it reflects the sentiment of the millions of homeowners in the Houzz community who are hiring home professionals for their projects across the U.S. and around the world.”
